

Daniel Ngumy Re-elected as ALN Kenya Managing Partner, Ensuring Continued Leadership Stability

Nairobi, 28 July 2026 — We are delighted to announce the re-election of Daniel Ngumy as ALN Kenya Managing Partner.

ALN Kenya has been led jointly by Rosa Nduati-Mutero and Daniel Ngumy since 2022. Rosa took the considered decision not to seek re-election for a second term as Co-Managing Partner. Daniel will now continue as Managing Partner as the firm moves from a joint to a single Managing Partner structure.
