

2024 Regional Outlooks Webinar Series: East Africa

ALN is delighted to contribute to East Africa's growth. We highlighted our profound knowledge and comprehension of the region's economic trends and pivotal investment drivers at the 2024 Regional Outlooks Webinar Series: East Africa, hosted by Invest Africa. ALN Director, Karim Anjarwalla moderated the session which discussed the trends and opportunities shaping the local markets in East Africa and what 2024 has in store for the region. On the panel, Karim was joined by Chief Economist & Head of ALM | NCBA Group, Raphael Agung' and Head of Global Operational Risk Research | Fitch Solutions, Chiedza Madzima.
