

# **Africa Climate Summit 2023: Advancing Green Growth & Climate Finance**

The Africa Climate Summit (ACS), co-hosted by Kenya and the African Union Commission, is set to take place in Nairobi from 4 to 6 September 2023. ALN is the official legal partner of this year's summit, which will convene leaders, development partners, intergovernmental organisations, the private sector, academia, civil society, and others to address climate change in Africa.
