

ALN Kenya at 70: A Journey of Excellence, Growth and Impact

The year was 1954, when Saifuddin Karim Anjarwalla laid the foundation for a vision that would reshape Kenya's legal landscape and influence Africa as a whole. Fast forward to 2024, and ALN Kenya | Anjarwalla & Khanna proudly celebrates 70 years of dedication, growth, and unwavering commitment. Over seven decades, we have evolved alongside Kenya, expanding our reach across borders and making history in the process. As we mark this significant 70th anniversary, we reflect on our history, growth, and the people who have shaped us into East Africa's largest full-service law firm. We look back with pride at the remarkable journey that has brought us to where we stand today, reaffirming our commitment to delivering lasting positive impact.
