

# Pursuit of Justice in Safeguarding Human Rights: A Partnership for Justice

In the pursuit of justice and human rights, collaboration becomes a powerful force for change. ALN Kenya, in partnership with Allen & Overy UK, played a pivotal role in a transformative project initiated by Fair Trials UK and APCOF (African Policing Civilian Oversight Forum). This project, centred on the prevention of torture by law enforcement agencies, particularly during the delicate questioning stage, resonates deeply in the East Africa region.
