## Background

Reginald is the Managing Partner of Aluko & Oyebo (the “**Firm**”). In this role, he manages the daily operations of the Firm and helps achieve its objectives by focusing on the needs of its people and their efforts on serving clients. He is also a member of the Banking & Finance Practice where he focuses on finance, energy and infrastructure. He has over 19 years’ experience advising sponsors, lenders, issuers, underwriters, and borrowers in a number of international transactions involving oil, gas and power assets, LNG facilities, telecommunications infrastructure, cement plants and steel mills.

Reginald attended the University of Lagos (LLB) and University College London (LLM). He is admitted to the Nigerian Bar as a barrister and solicitor of the Supreme Court of Nigeria.

He has a keen interest in leadership and has attended several related trainings and seminars, including the Yale University/Nigeria Leadership Initiative fellows’ leadership programme, and the law firm leadership programme facilitated by Professor David B Wilkins of Harvard Law School.

He is consistently ranked by legal directories as a Leading Lawyer. In 2020, Who’s Who Legal noted that: *“Reginald Udom is singled out by market sources for his sweeping knowledge of complex banking transactions and financing...the revered Reginald Udom is well versed in advising domestic and international companies on complex financing matters...”*.
