Background

Roddy is a Director in the Corporate department at Anjarwalla & Khanna. He brings to A&K over 30 years of experience in mergers and acquisitions, private equity, restructurings, joint ventures and other corporate transactional work. Prior to joining Anjarwalla & Khanna in 2013, Roddy headed Webber Wentzel's Africa Group and was based in Johannesburg for over 6 years, where he had overall responsibility for developing the firm's practice on the African Continent (outside South Africa). Roddy is an Africa specialist who has been involved in investments and transactional deals in over forty five African countries. Much of his experience has been working in emerging markets in Africa and Asia so he is well-positioned to understand how to successfully conclude deals in challenging environments.

Before Webber Wentzel, Roddy spent 17 years as a partner with Hogan Lovells, a leading international London based law firm, including five years based in Hong Kong as Managing Partner of Hogan Lovells' Asian regional offices. As Head of the Asian corporate practice, he was involved in a number of significant cross-border M&A transactions across a broad range of emerging markets in Asia.

Roddy is currently a member of the Legal & Regulatory Committee of African Private Equity and Venture Capital Association (AVCA). He is ranked as a leading Corporate M&A lawyer Africa-wide by Chambers Global, IFLR1000 and Legal 500.
