Background

Shane Mungur joined BLC Robert in 2014 and works in the banking and finance group. Shane specialises in derivatives and structured finance. He advises international corporations on OTC-traded derivative transactions with Mauritian counterparties. Shane also advises clients on collateral arrangements.

Shane regularly advises Mauritian and international banks on domestic and cross-border financings, including transactions involving mezzanine and high yield debt.

Shane is a contributor to BLC Robert's periodical newsletter "Banking & Finance Insights".
